Allowable Subject Matter

Claims 1-26 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest "said rear holder and said retractable holder comprising respective contact surfaces configured to contact each other only if movement of said annular member and retractable holder to said retracted position occurs and the rear holder has not fully moved to the retracted position thereof" in combination with the remaining claim elements as set forth in claims 1-10.

The prior art does not disclose or suggest "a pair of engageable portions which are provided on one and the other of said retractable holder and axially retractable frame, said pair of engageable portions contacting each other without causing contact between said retractable optical element and said rear optical element, when said retractable holder and the axially retractable frame interfere with each other" in combination with the remaining claim elements as set forth in claims 11-26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
